Welcome to Our Company Profile

Ashraf-Uz-Zaman
Managing Director

Zaman

Authentic Zaman Traders is a professional interior design firm located in Dhaka, Bangladesh, with a focus on creating sustainable, cost-effective, and functional designs. Since our founding in 2022 till now, our team of young, energetic, and talented designers has had the privilege of working with clients across various areas, including Gulshan, Baridhara, Banani, Basundhara, Dhanmondi, Khulshi, and more. We take pride in collaborating closely with our clients to craft personalized design experiences that are both stress-free and fulfilling, whether we're helping families transform their homes or assisting businesses in creating inspiring workspaces.

Start your journey with us today and see how we go above and beyond to deliver the best for you. Let us show you why Authentic Zaman is where your search for excellence begins.

About Us

Welcome to Authentic Zaman, where your vision comes alive with thoughtful, custom design. Our professional team is committed to crafting singular, functional spaces reflective not only of your style but also of your needs. We pay attention to creativity, quality, and craftsmanship-be it for a home or business-to make your surroundings distinctively special. Let us help you create a space that inspires and feels uniquely yours.

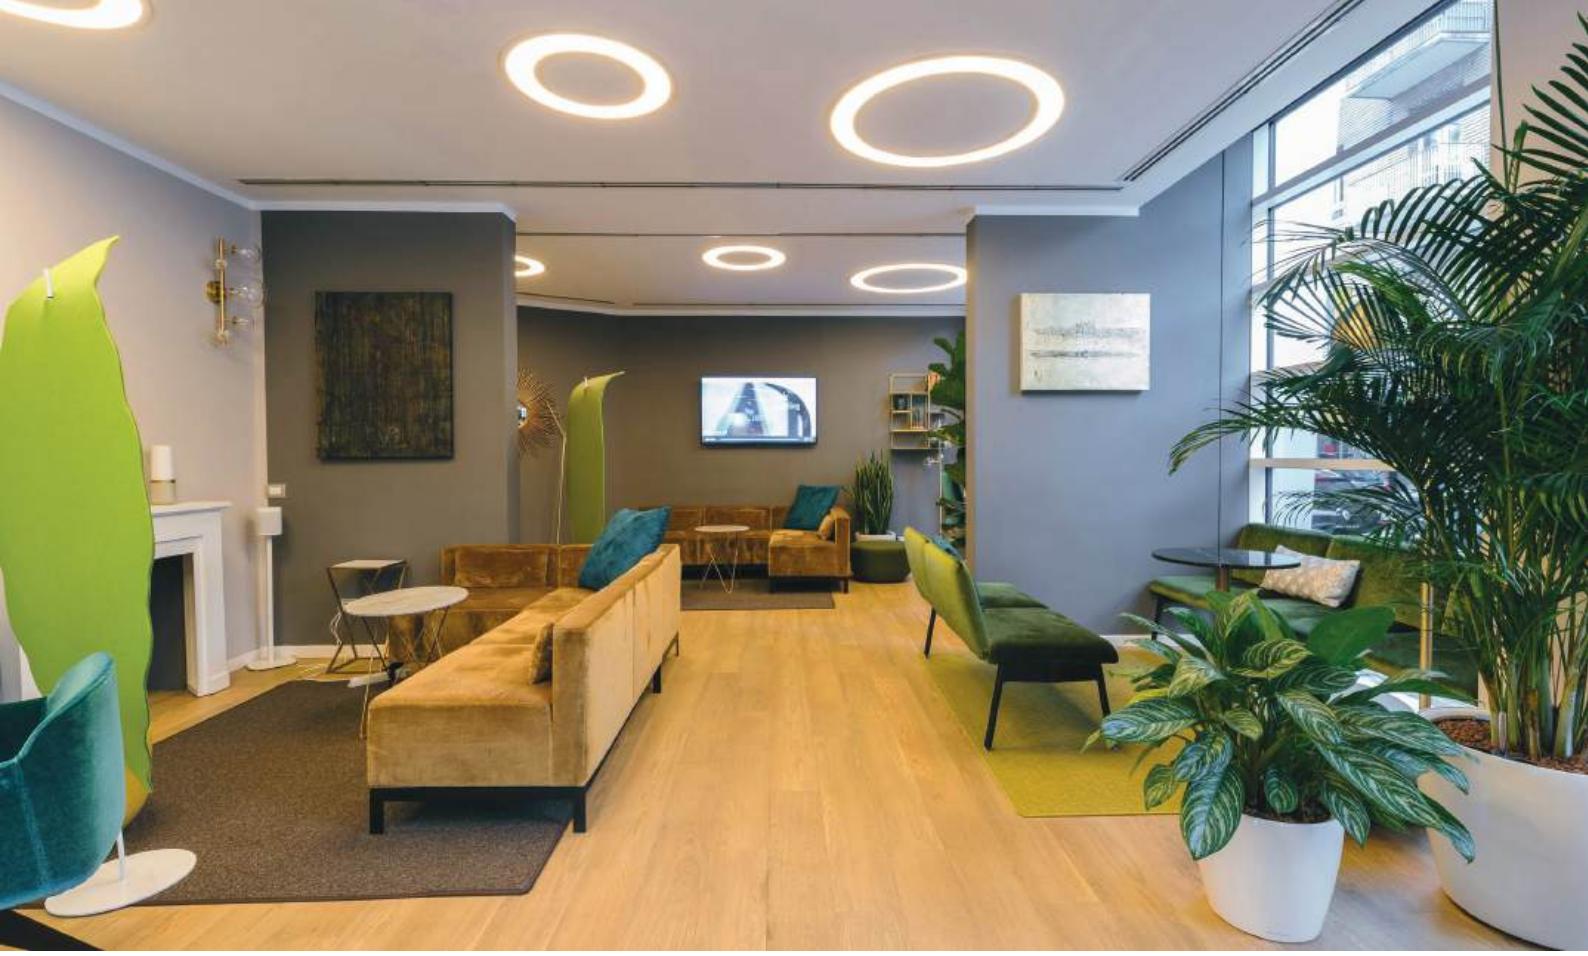

Qualified Planning

At Authentic Zaman, we deliver qualified planning to craft spaces that are both functional and visually stunning

Professional Design

We specialize in professional design to create spaces that are both practical and beautifully crafted.

Why Choose us

At "Authentic Zaman", we love bringing your thoughts to life, because it's built for only one: you. With a company to deliver breathtaking, creative, unique interior designs that will blend functionality with style, brought about by expert and professional interior designers. A focus on quality and details allows for personal commitment in every phase. Be it residential or commercial, Authentic Zaman strives for innovation and authenticity in every project undertaken, ensuring each design reflects who you are. Come to us for space that inspires and transforms, tailor-made just for you.

Our Services

At Authentic Zaman, we're passionate about designing homes that make a lasting impression. We understand that your home is a reflection of your personality and lifestyle, so we craft spaces that are both beautiful and functional. Whether renovating or designing from scratch, our team is dedicated to bringing your vision to life and creating spaces where you'll love to live.

Shower **Encloser**

We offer exceptional shower enclosure designs that flawlessly blends your style, durability, and practicality for your bathroom.

Shower Encloser

Transform your bathroom into a modern and stylish space with a shower enclosure from A Z Traders. Our enclosures feature a combination of durable stainless steel 304 grade and clear tempered glass that not only adds a sleek and contemporary look to your bathroom but also ensures 100% sustainability and non-toxicity of the glass.

Toilet Partition

We hold specialization in high-quality toilet partitions, ensuring privacy and style in commercial and residential spaces.

Toilet Partition

Interior Concepts & Design Limited provides affordable bathroom partition boards all over Bangladesh. Our toilet partitions are made of quality materials so they last for long. Our experts will visit your site and analyze your toilet partition requirements. Then we will come up with partition boards tailored to meet your specific requirements.

Lighting **Solution**

Enjoy innovative lighting designs that combine beauty, energy efficiency, and the perfect ambiance for any room with us.

Portfolio

Lighting Solution

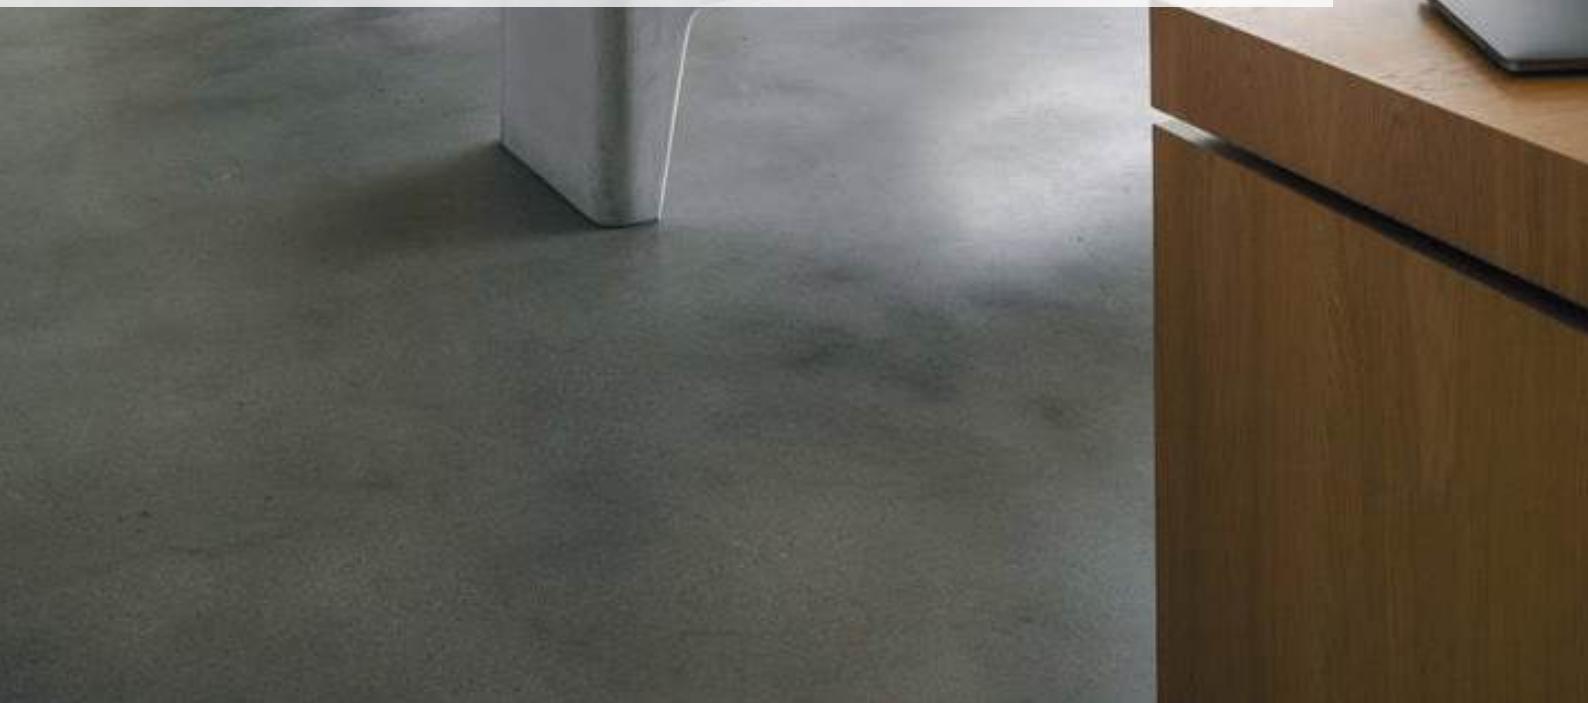

We provide research based solutions grounded in science and inspired by nature. We extend our services beyond problem-solving. Creating culturally and contextually appropriate responses. Transforming client's story and their vision for built environment into a reality. While educating our clients with new technologies and utilize them as appropriate.

Office **Furniture**

We design elegant home interiors and decorations that reflect your personal taste and enhance your living environment.

Portfolio

Office Furniture

We provide research based solutions grounded in science and inspired by nature. While extending our services beyond problem-solving. We'll create an ambience that belongs to its place, time and people. Optimize efficiencies in all system resources and communications.

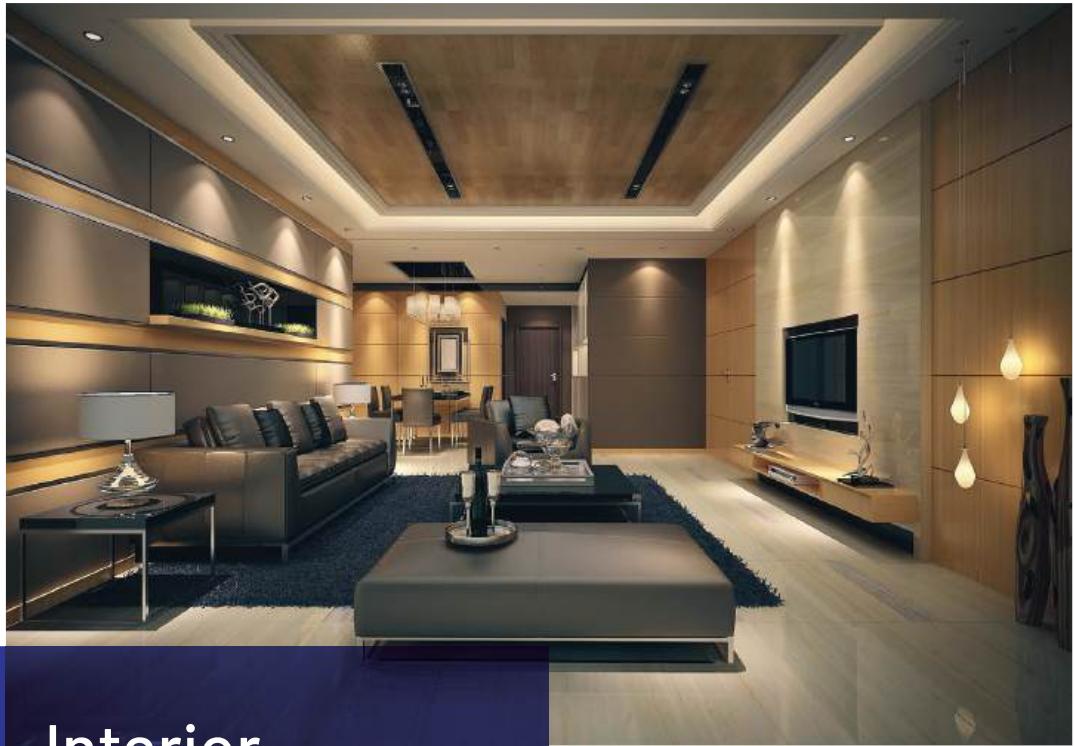

Interior **Work**

We have expertise in creating modern, sophisticated office interiors that boosts productivity and inspiration in the workplace.

Portfolio

Interior Work

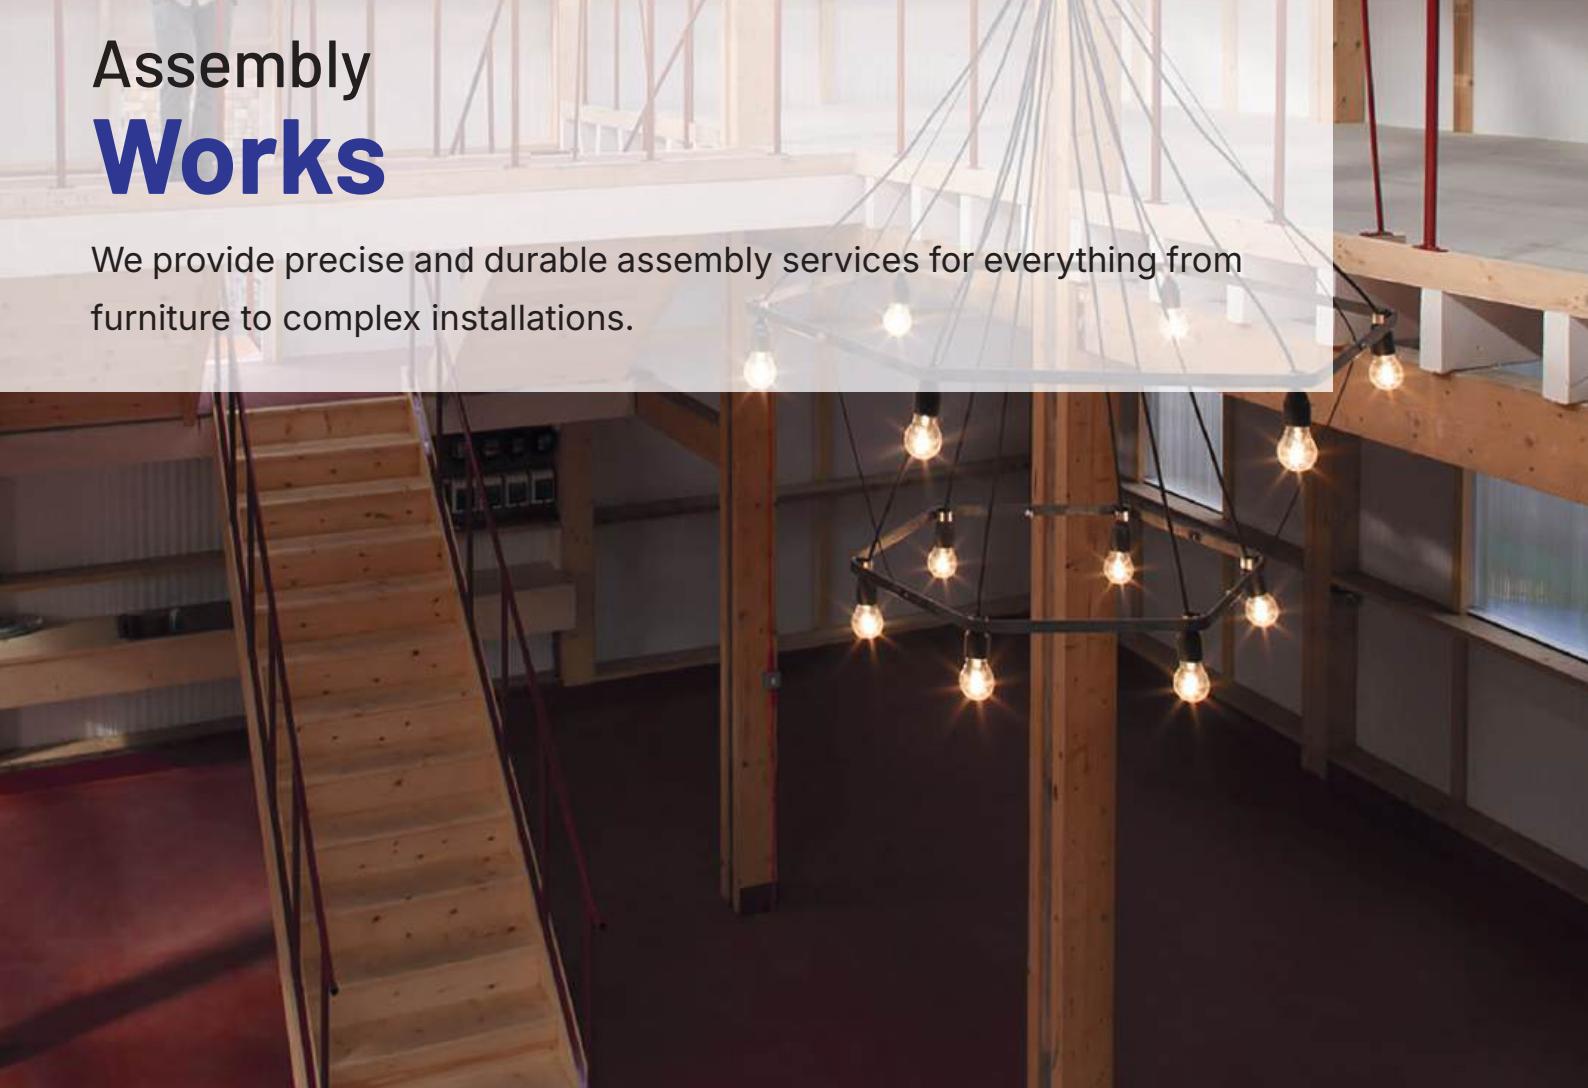

At Interior Solutions, our services represent our investment in excellence. We pledge to get knee-deep in your interior design, office furniture, hotel furniture & home furniture install or storage systems project and help you create beautifully functional workspaces and specialized work environments.

Assembly **Works**

We provide precise and durable assembly services for everything from furniture to complex installations.

Assembly Works

Materials and systems to install resilient wall and floor coverings correctly. The aim of this Technical Notebook is to offer useful guidelines to assist in the correct installation of resilient wall and floor coverings. Wall covering- Wall paper, Top create / texture paint, Flooring -Wooden Floor, Decking wood, Carpet & Vinyl

Air **Diffuser**

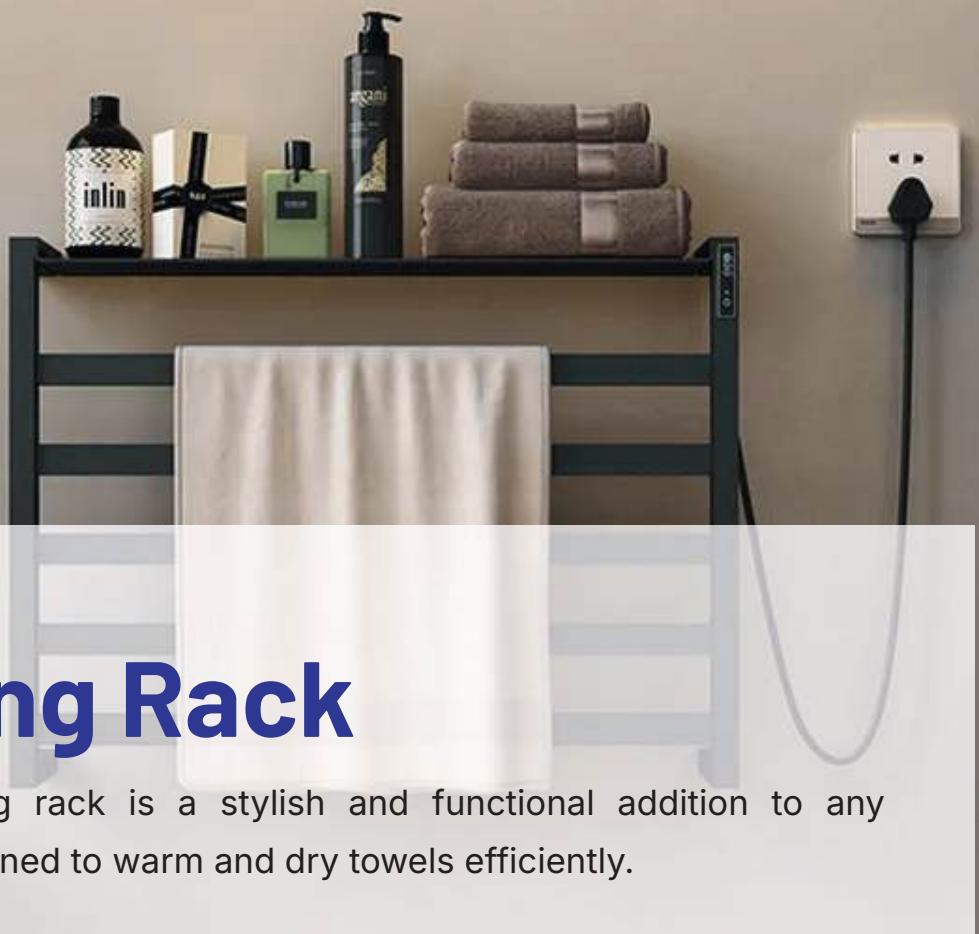

An air diffuser evenly distributes air within a room, enhancing ventilation and maintaining a consistent temperature.

Air Diffuser

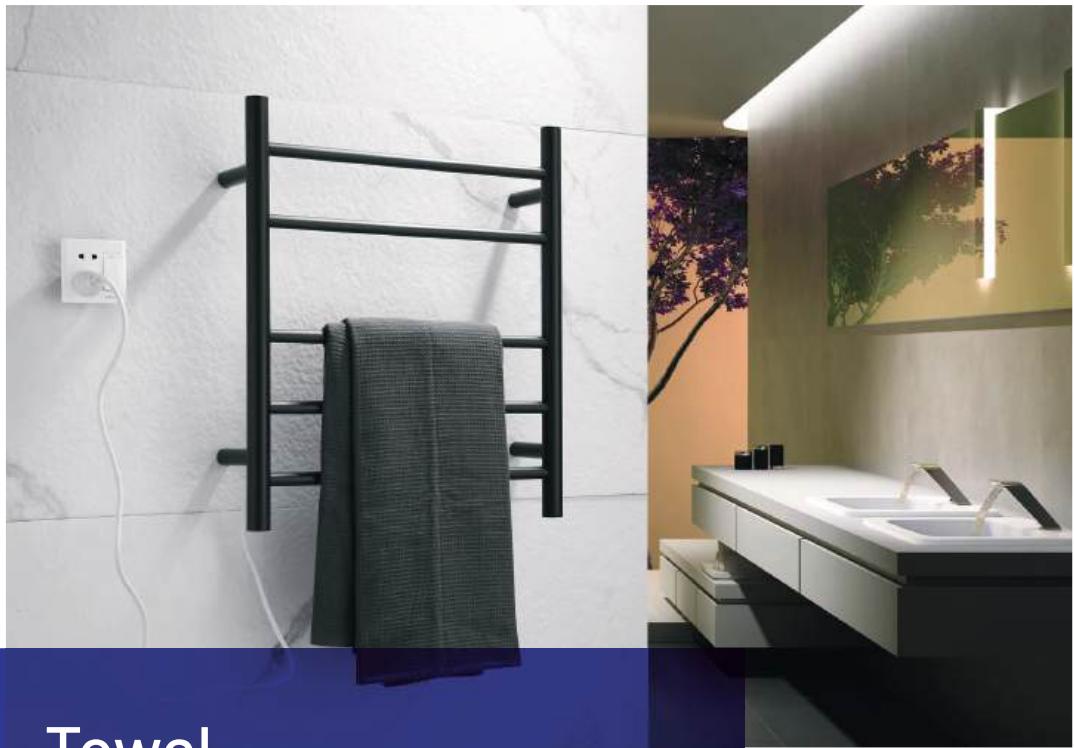

An air diffuser evenly distributes air within a room, enhancing ventilation and maintaining a consistent temperature. Commonly used in HVAC systems, it improves air circulation, reduces noise, and boosts energy efficiency. Suitable for homes and commercial spaces, air diffusers help create a comfortable indoor environment while blending seamlessly with interior designs.

Towel **Heating Rack**

A towel heating rack is a stylish and functional addition to any bathroom, designed to warm and dry towels efficiently.

Towel Heating Rack

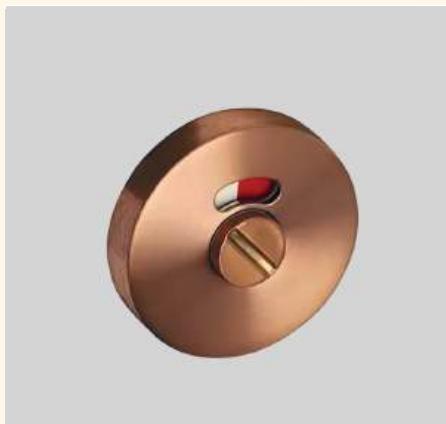

A towel heating rack is a stylish and functional addition to any bathroom, designed to warm and dry towels efficiently. It adds comfort, prevents dampness, and helps reduce mildew. Ideal for modern homes, it also enhances bathroom aesthetics while providing a touch of luxury.
